

## Christian Disciplines

The effects of some experiences in life can reflect the pain of being twisted and disjointed. In the new updated and abridged edition of Christian Disciplines, Oswald Chambers helps you gain a better understanding of how God can use those very encounters to shape and mold you into the person He wants you to be. You will examine Gods use of divine guidance, suffering, peril, prayer, loneliness, and patience to get your attention and draw you closer to Him. Christian Disciplines encourages you to discover how God can transform your life to become more like Christ, to be strengthened in faith, and to experience the abundance of His grace.
