

The Big Book of Facts About History: Volume II (History Facts 2)

As the title suggests, The Big Book of Facts About History: Volume II, contains a huge list of interesting and informative facts about the world that we live in. The facts focus entirely on the history of our civilization. The book doesn't focus on one subject entirely, but lists facts in a random fashion in order to keep the book interesting. This is Book 2 of my History Facts book series. The Big Book of Facts About History: Volume II is packed with interesting, entertaining, educational and fun things to read. You'll get everything from the weird to the wonderful and from the horrible to the hilarious. Facts such as: Before he became emperor in the capital Changan, Yang Guang spent 10 years in Yangzhou as a provincial governor and loved the city for its scenic beauty. Constantine the Great was born about 274 CE and died 337 CE.

Helen Keller - Facts & Summary - Find out more about the history of The Art of War, including videos, Historians don't know the exact date of the book's publication (though they believe it to be in the 4th or 5th century) in fact, they don't even know who wrote it! .
