

Jumping for Joy: Consonants (Rocket Readers, Set 4, Consonants)

The Rocket Reader Bible Story Series for new Readers! A comprehensive reading program that uses biblical concepts to launch new readers into the wonderful world of words. Each set of Level 1 readers emphasizes a different aspect of reading, using level-appropriate language, and each page is designed to remove intimidating barriers between the new reader and the adventure of reading. To help improve the success of young readers, only two or three lines are printed on each page, the font is legible, and the art is engaging and humorous. The five books within each set are contained in a durable and attractive slipcover case. Best of all, each book includes hand-on faith and reading helps for parents. Level 1 books teach alphabet sounds and beginning sight words. Use Level 1 books if your child: knows the alphabet sounds, knows how to rhyme, and sounds out and reads simple words. Books in this set: My Baby (Hannah and #151; Samuel is a big boy and #151; OT 1 Samuel 1:10-28) Here He Comes (Easter and #151; and #151; NT Luke 23:26-56) Dorcas is Dead (Dorcas is raised from the dead and #151; NT Acts 9:36-42) Good as Gold (Jesus tells us about God and #151; NT Matthew 7:7-12) Watch Out! (Baby Moses and #151; OT Exodus 2)
