

## CONFLICT OF THE AGES: THE FIVE BOOKS. Patriarchs And Prophets; Prophets And Kings; The Desire Of Ages; The Acts Of The Apostles; The Great Controversy (Timeless Wisdom Collection)

This volume collects for the first time, THE COMPLETE COLLECTION of the CONFLICT OF THE AGES series:

Patriarchs and Prophets, covers from the rebellion of Satan in heaven to King David.

Prophets and Kings covers events from King Solomon to Malachi. The Desire of Ages covers the life and ministry of Jesus.

Acts of the Apostles covers from the Great Commission to John the Revelator on Patmos. The Great Controversy covers the

70 A.D. destruction of Jerusalem, through Church History, to the end of sin and the recreation of the earth. The books follow

the Biblical history of the world, with special focus on the conflict between God and Satan. The series starts with the

pre-creation rebellion of Satan in Heaven, then moves on to the creation of the earth, the fall of Adam and Eve into sin, the Old

Testament, the birth and ministry of Jesus until His ascension, then the early Christian church, the Dark Ages, the Protestant

reformation, the last days of earths history, the second coming of Christ, the millennium, and the destruction of sin and

finally the recreation of earth and Gods kingdom with man for eternity. This progression explains in detail the SDA

understanding of the conflict between God and Satan and their understanding of the Bible and much of world history. She

wrote the books based on her research of other authors and special information which she claimed to receive through

visions from God. The books thus include unique insights and concepts not found in other works of the time.
