

## A Handbook of New Testament Exegesis (New Testament Studies)

This handbook provides a onestopshopping guide to the New Testament exegetical method. Brief and approachable, it offers both a broad overview of the exegetical process and a step by step approach to studying the New Testament in depth, helping students and pastors understand the text and appropriate it responsibly. The book is chockfull of illustrations of New Testament texts where the method under discussion truly makes a difference. A wonderfully clear and accessible handbook for New Testament exegesis. Exegetically rigorous, theologically informed, and practically useful. Thomas R. Schreiner, Southern Baptist Theological Seminary
