

## A Miscellany of Men

A Miscellany of Men by G. K. Chesterton:  
Publisher: Kindle E-Book Edition:  
ISBN-13: 978-1-78379-124-8 A  
Miscellany of Men may be his hardest  
work to define, as it deals with a huge array  
of issues, using personal types as  
illustration. It would only be bewildering,  
if there was not these common threads:  
First that these types still exist, and the  
same faulty reasoning applies to issues of  
our day, and second, that underlying all of  
this is a firm and reasoned defense of  
democracy in a sense very close to that of  
the American Founding Fathers. Publisher:  
Catholic Way Publishing. This Paperback  
is the ideal small size of 5 x 8.
