

## Schmoozing With Terrorists: From Hollywood to the Holy Land, Jihadists Reveal Their Global Plans—to a Jew!

In a time of unprecedented danger for the West, its crucial that Americans understand the true nature of the adversaries we face and how we are making them bolder each day. Join Aaron Klein, award-winning journalist and radio commentator, as he schmoozes and kvetches with radical clerics, suicide bombers, the parents of potential child martyrs and the leaders of the worlds most dangerous terrorist organizations. Heres the real story behind todays war headlines, told from the unique perspective of a Jew meeting-and eating-with his deadliest enemies.Among the highlights of Schmoozing with Terrorists: Why do the terrorists tell Klein that Hillary Clinton is the jihadist choice for president? Which anti-war politicians and celebrities meddling in Middle East politics are jihadist favorites? What compels someone to blow themselves up in order to kill others? What would day-to-day life be like in America if the terrorists win? (Madonna and Britney Spears take note!)
