

## About Face (Commissario Guido Brunetti Mysteries (Audio))

When Dr. Blake Hunter discovers Casey Edwards wandering along a Sweetwater, Georgia, road, she s a woman without a past, her memory stripped of the terrifying events that shattered her innocence a decade ago. The scrap of paper she clutches bears the address of Swan House, the magnificent mansion where Casey s mother lives with her mysteriously ailing husband, but home turns out to be anything but a safe haven. And now someone wants Casey out of the way before she remembers too much. It will take the strength she s always had and the love she s just found to save her.
