Adolescence can leave a young person feeling particularly ungifted, like they don't fit in anywhere. But that is not what God has in mind. He has given every believer, young and old, unique spiritual gifts to build up His body. In *Spiritual Gifts*, Jim Burns and Doug Fields, noted leaders in youth ministry, take high school students through a study of the spiritual gifts listed in Scripture and then work through an exercise to help them discover their own gifts and how to use them. Watch teens come to life when they discover that they are gifted and have much to offer the body of Christ.
