

Paul for Everyone: Romans Part 2 (New Testament for Everyone)

Writing in an anecdotal and approachable style, Tom Wright helps us to see the great sweep of the letter to the Romans. This long-awaited two-volume addition to the hugely popular For Everyone series will be ideal for daily Bible study, a preaching aid or for those readers who are looking to deepen their understanding of this classic NT book. Tom Wright has a rare gift for communicating his understanding and enthusiasm to non-specialists. He is one of the few people alive today capable of undertaking a project such as the For Everyone guides. When complete, this series will include a new translation of the entire New Testament by Tom Wright. Section by section, the translation is accompanied by his eye-opening comments on each passage.
