Not illustrated. 1793 edition. Excerpt: ...your own feelings to your readers. Add to this, that rules of distinction, as they are absurd in relation to the dissidents, will prove a continual instrument of usurpation and injustice to the ruling party. No reasonings will appear fair to them, but such as are futile. If I speak with energy, they will deem me inflammatory; and if I describe censurable proceedings in plain and homely, but pointed language, they will cry out upon me as a buffoon. OF LIBELS.. It must be truly aglamentable case, if truth, favoured by the many and patronised by the great, should prove too weak to enter the lists with falshood. It is self evident, that that which will stand the test of examination, cannot need the support of penal statutes. After our adversaries have exhausted their eloquence and exerted themselves to inislead us, truth has a clear, nervous andsimple story to tell, which, if force be excluded on all fides; will not fail to put down their arts. Misrepresentation will speedily vanish, if the friends of truth be but half as alert as the advocates of falshood. Surely then it is a most ungracious plea to osfer, We are too idle to reason with you, we are therefore determined to silence you by force. So long as the adversaries of justice confine themselves to expostulation, there can be no ground for serious alarin. As soon as they begin to act with violence and riot, it will then be time enough to encounter them with Invitations to tumult. I to the destruction of such institutions. But writing and speech are the proper and becoming methods of operating changes in human society, and tumult is an improper and equivocal method. In the case then of the specisic preparations of riot, it should seem
