

Beyond Good and Evil (World Cultural Heritage Library)

The classic uncensored adaptation by New York Times critically acclaimed director and author Philip Dossick. Praise for this new version of Beyond Good And Evil: A quick read. A great read. What makes this series of uncensored classics so successful is the way they have been lovingly crafted. Near perfect, they honor their source material and capture the humor, the drama, the passion, the excitement, the sheer narrative exuberance, that have made each of these works timeless classics.--Sheppard Jacinto
