

A Picture Book of Anne Frank [With 4 Paperback Books] (Picture Book Biography)

Anne Frank and her Jewish family hid in a secret apartment in Amsterdam from 1942 to 1944 before they were captured and deported to concentration camps. Anne died in Bergen-Belsen just three months before the end of the war, but her diary of the events has inspired millions of people. This picture book includes photographs of Anne, which serve to show the ordinary nature of her life before 1942, as well as pictures of the house where the family hid, life in hiding and the capture and transportation. A list of important dates is also included.
