

Another Dirt Sandwich: Some Rambling and Hilarious Exploits of Tbyrd Fearlessness (Lookit!)

A humor graphic novel with all the fixins: Swindling! Mustard! Cacti jokes! Birds wearing hats AND birds wearing spats! This book will have you laughing your head off on the very first page! (actually, thats the copyright information, try the second page). Plus, arent you curious about what a dirt sandwich is, and why anyone would possibly need another one? This book chronicles the rambling adventures of inept ostrich outlaw Tbyrd Fearlessness, and his sidekick Hopalong Cassowary in their search for fame, fortune, and lunch.
