

Effective Apologetics in the 21st Century

Are you struggling to defend your faith in the 21st century? The Christian faith is treated with more hostility with every passing year, and a region of the world once sympathetic to the Gospel has begun to outwardly mock it. Christianity is more than just saying the right words. Its about actually living the right life. In todays culture, one of the most powerful defenses of the Gospel is not a well worded argument, its a well lived life. Ravi Zacharias gives us practical ways to effectively communicate the Gospel in the 21st century. Approx 47 minutes.
