

Aunt Dimity and the Next of Kin (Aunt Dimity Mystery)

The next page-turning installment in the phantom-detective mystery series that has won the hearts of cozy mystery fans everywhere. Feeling a touch world-weary, Lori Shepherd decides to become a volunteer at the Radcliffe Infirmary, where she can spread a little good cheer. There she meets Elizabeth Beacham, a kind, retired legal secretary with no family, except a brother who has mysteriously disappeared. But after only a few visits, Miss Beacham suddenly passes away, leaving Lori to tie up the loose ends of her late friend's life. Lori soon discovers that hidden among Miss Beacham's belongings are clues that Lori believes her friend left for her to discover. Armed with the generous help of a handsome neighbor and, as always, Aunt Dimity's supernatural skills, Lori begins to unearth Miss Beacham's secrets and, ultimately, the surprising truth about her next of kin. Atherton's series is for those who like the puzzle of a mystery minus the corpses. . . . Put on the teakettle and enjoy. Rocky Mountain News A charming mystery, filled with warmth and affection.
