

Barrons AP United States History

Optimized for use on the Kindle, this title has been fully revised to reflect the new AP United States History curriculum and exam. It now covers the nine periods of U.S. history recently emphasized in the AP U.S. History course. It includes additional support with study tips, test-taking strategies, and a comprehensive review with even more questions and answers than before. This eBook contains hundreds of hyperlinks that can be used to help you navigate through content, bring you to more helpful resources, and allow you to click between all questions and answers in practice exercises as well as the two full-length practice tests.
