

## Baynes Climb: Part I of The Sword of Bayne (The Ursian Chronicles)

Bayne kul Kanon pursues a dark wizard across a decade and eventually up a mountain path, and when the path runs out, up the side of the mountain itself. Why does Bayne seek this wizard? Because Bayne is a warrior without a past. Ten years earlier he woke amid battle with no memories, his only ally the wizard. His enemies, numberless. Once the wizard fled, Bayne set out on foot after him. Now they have come to the mountain, and Bayne is determined to climb and to find the truth. Along the way up the mountain, the warrior finds many new enemies, dangers and oddities. All hamper his quest to find the wizard, and all must be overcome. Yet in the end, will Bayne truly want to know the truth? Is he able to handle the truth? And is there even a truth to be discovered?
