

Being Gods Man in the Search for Success (The Every Man Series)

Ive worked hard to get where I am. Ive overcome great obstacles. Ive earned it. No one had a greater right to say those statements more than King David. He rose from the fields of Palestine to the palace of power and privilege. Hed made it. But now that he was on top, would he continue to grow spiritually in the midst of his success? Self-sufficiency is a temptation every man faces. But we cant be both self-sufficient and on the move spiritually at the same time. Just as in Davids life, God often allows us to experience the consequences of self-sufficiency so that we can rediscover our need for his leadership and empowerment in our lives. In the end, the crushing blows we face serve to humble us and forge the basis for the next wave of spiritual momentum in our lives. Being Gods Man in the Search for Success will help you whether in individual or group study come to grips with the attitudes and actions you must own as you move forward to achieve Gods goals for you in life.
