

## Bible Detective: A Puzzle Search Book

Where's Waldo? meets the Bible in this cleverly illustrated picture-search puzzle book for young readers. Young detectives can pore over more than 17 scenes of Bible events to find the answers to questions posed on each page in this brilliantly imagined seek-and-find puzzle book. Each two-page spread, accompanied by pertinent and engaging Bible trivia, is brightly and engagingly illustrated, with the main scene taking up the center of the page and the items to seek decorating the edges. Some puzzles involve looking for details of everyday life, others highlight things that happened in the Bible stories, offering hours of fun to readers as they search for the answers. With lots to find, this kind of picture book is particularly great for reluctant readers and visual learners, helping all children get an overview of the Bible's history and content as they super-sleuth their way through to the end.
