

A History of Wales 1485-1660 (University of Wales Press - Histories of Wales)

Presents the events of the period 1485 - 1660 that were decisive in the development of modern Wales. This book covers from the crowning of Henry Tudor as King of England in 1485 to the profoundly transformed religious and economic conditions that the Wales and Welsh society would stride forward in a committed partnership within a greater Britain.
