

Bird Brain of Britain: The Ultimate Quiz Book for Birders

An ornithology quiz book packed with challenging questions for birders, based on the popular Bird Brain of Britain contest, hosted by Bill Oddie at the annual British Birdwatching Fair. The British Birdwatching Fair, held every August at the Egleton Nature Reserve at Rutland Water, attracted around 15,000 visitors last year. One of the most popular attractions in the Events Marquee is the Bird Brain of Britain contest. Following the format of the television programme Mastermind, each of the four experts must answer a set of questions on their nominated specialist subject, and a second set on general (ornithological) knowledge. This book reproduces all of the questions asked in the contest over its 11-year lifespan. The questions are difficult and varied enough to test any birders knowledge, and will provide many hours of challenging entertainment.
