

Black Widow (Elemental Assassin Series Book 12)

Lethal, sexy, and always ready to protect her friends, Gin Blanco (a.k.a. the Spider) takes on the mysterious M.M. Monroe in book twelve of the New York Times and USA TODAY bestselling Elemental Assassin urban fantasy series. There's nothing worse than a cruel, cunning enemy with time to kill and my murder to plan. With wicked Fire elemental Mab Monroe long gone, you'd think I could finally catch a break. But someone's always trying to take me down, either as Gin Blanco or my assassin alter-ego. Now along comes the Spiders new arch-nemesis, the mysteriously named M. M. Monroe, who is gleefully working overtime to trap me in a sticky web of deceit. The thing is, I'm not the only target. I can see through the tangled threads enough to know that every bit of bad luck my friends have been having lately is no accident and that each unfortunate coincidence is just one more arrow drawing ever closer to hitting the real bulls-eye. Though new to Ashland, this M. M. Monroe is no stranger to irony, trying to get me, an assassin, framed for murder. Yet, as my enemy's master plan is slowly revealed, I have a sinking feeling that it will take more than my powerful Ice and Stone magic to stop my whole life from going up in flames.
