

Through the Window: A Molly Murphy Story (Molly Murphy Mysteries)

Molly Murphy--now Molly Sullivan--is absolutely thrilled to give birth to her first child, a beautiful little boy named Liam. But while confined to bed rest for the weeks following his birth, she finds herself watching the activity across the street through her window, and she soon begins to notice some odd goings-on that set her detectives sixth sense to tingling. New York Times bestselling author Rhys Bowen will delight fans with her trademark charm and turn-of-the-century New York atmosphere in *Through the Window*, an original story spanning the time between *The Family Way* and *City of Darkness and Light*, Bowens thirteenth novel featuring the beloved private investigator.
