

The Fiction Writers Handbook: The definitive guide to McGuffins, red herrings, shaggy dogs, and other literary revelations from a master

ForeWord Reviews Book of the Year Finalist
The Fiction Writers Handbook is the definitive volume to explain the words and phrases that writers and editors use when they talk about a work. In the highly competitive publishing world, today's writers need to stay ahead of the competition and make every sentence count. This book will help new writers who need an understanding of the writing process, and for seasoned writers, it is a powerful tool.
