

## Born on the Fourth of July: 40th Anniversary Edition

Classic and timeless.--New York Times  
Forty years ago the Vietnam vet from Massapequa--wounded in combat and in a wheelchair ever since--published his classic war memoir, later made into a film with Tom Cruise. The anniversary edition features a foreword by Bruce Springsteen. Kovics new book, Hurricane Street, chronicles the 1970s activism of the American Veterans Movement.--Newsday  
Ron Kovic is one of the premier voices of a generation. The large irony of his birthday provides the background for a journey which begins with the unquestioning service in Vietnam, his terrible wounding with all the anger and bitterness that follows, and ends with his passionate discovery of a large and all-too-human heart.--Larry Heinemann, author of Pacos Story  
There is no book more relevant in the twenty-first century to healing the wound of Vietnam, which continues to bring so much pain to our country. . . . It remains to Kovic to remind us that history matters, and that the cost of our high follies persists.--Robert Scheer, editor-in-chief of Truthdig  
Ron Kovics terrible tragedy is Americas.--Los Angeles Times  
Ron Kovic has returned from the dead and given us an honest, unrefined account of his struggle.--Washington Post  
This New York Times bestseller details the authors life story (portrayed by Tom Cruise in the Oliver Stone film version) from a patriotic soldier in Vietnam, to his severe battlefield injury, to his role as the countrys most outspoken antiVietnam War advocate.--Off the Shelf, Included in 11 Powerful Books That Explore the Legacy of the Vietnam War  
With a new foreword by Bruce Springsteen.  
This New York Times best seller (more than one million copies sold), presented here in a special fortieth-anniversary edition with a brand-new foreword by Bruce Springsteen, details the authors life story (portrayed by

Tom Cruise in the Oliver Stone film)--from a patriotic soldier in Vietnam, to his severe battlefield injury, to his role as the countrys most outspoken antiVietnam War advocate, spreading his message from his wheelchair.
