

Born Between Times

Spending the night in a 17th century mansion in Salem, Massachusetts seems like a great idea for a Halloween party--or at least that's what Simon, Derrick and Lexi think until Simon becomes convinced he's heard voices from the past. When Simon discovers a secret room in the mansion, he and his friends are transported back to an earlier time in Salem's history--the infamous Salem Witch Trials. The three friends are immediately accused of being witches. Hunted by William Staughton, the lead prosecuting judge, Simon, Derrick and Lexi must complete a harrowing race to Boston to deliver letters from the jailed Salem residents to the only man who can stop the witch hunts--Massachusetts Bay Colony Governor William Phipps. Will they succeed? Their lives and the lives of all the innocent people locked up in Salem depend on it! Adventures in Time series Book Two
