

## Brave Mom: Facing and Overcoming Your Real Mom Fears

In *Brave Mom*, Sherry Surratt, president and CEO of MOPS International, shares honestly and openly about the fears every mom struggles with. From worry about your child's safety and health to wondering if you are a good parent, to fears about your marriage and loss of self-identity, Sherry comes alongside every mom with practical, real, and hopeful help for these common fears that were all afraid to talk about. The 10 most common mom fears are each covered in their own easy-to-listen chapter, made up of stories of real moms and the help and answers they found. Filled with advice and insight from Sherry and the hope and grace found in God's wisdom, *Brave Mom* gives moms everything they need to leave fear behind and live the admittedly messy life of parenting with confidence and joy. Each chapter also contains a prayer for moms to help them turn their fears over to God's protection and care. As the mom experts, MOPS provide moms around the country a connection to other moms, practical help to move ahead, and the warmth and grace of God's love.
