

Bridge Basics 1: An Introduction (The Official Better Bridge Series) Bridge Basics 1

This book starts at the beginning, introducing the mechanics of the game through its history. It covers the fundamentals of the three aspects of the game....bidding, play, and defense. The concepts and information presented are the most current and accurate available, developed with the assistance of the games top champions. The material is presented in clear, well- organized format, moving smoothly from one topic to the next. Through this book youll be taking the first steps into the magical world of bridge.
