

Christy Series #10: Stage Fright

Im starting to get the feeling somebody doesnt want me to star in this play, Christy said with a grim smile. As Christys students are preparing for a school play, she reveals her dream to act on stage herself. Little does she know that Dr. MacNeills aunt is the artistic director of the Knoxville theater. Before long, just as Christy is about to debut on stage, several mysterious incidents threaten both her dreams and her pride.
