

How to Pray & How to Study the Bible [With MP3 Format and DVD] (Hendrickson Christian Classics)

A clarion call to return our devotion to our first love--Jesus Christ--and to spend time with Him in prayer. Reuben Archer Torrey (1856-1928) was the right-hand man of evangelist D. L. Moody and a man of study and prayer. In *How to Pray*, Torrey clearly explains why prayer is important to the follower of Christ and then addresses common hindrances to prayer, as well as sage advice on how to pray, covering such topics as: * The Importance of Prayer * Obeying and Praying * Praying in the Name of Christ * Always Praying and Not Fainting * Abiding in Christ * Praying with Thanksgiving * Hindrances to Prayer *How to Study the Bible* is the result of decades of diligent study of Gods Word, beginning with practical suggestions and guidelines for getting the most out of time in the Word. Seven Bible study methods are covered, and a chapter entitled *How to Enjoy the Bible* opens up the door to a deeper, more intimate relationship with God and His Word. Read by famed narrator Stephen Johnston, this affordable combination of print and MP3 is a new way to come to know and love R. A. Torreys guide to a deeper life of prayer and study.
