Large Print Version with Illustrations. Poirot receives a visit from Miss Mary Marvell, the famous Belgian film star on her visit to London. She has received three letters, handed to her by a Chinese man, which warn her to return her fabulous diamond jewel, the Western Star, to where it came from the left eye of an idol before the next full moon. Her husband, Gregory Rolf, who bought it from a Chinese man in San Francisco, gave Mary the jewel three years ago.
