

## The Present (Creative Writing Tutor Book 6)

The Creative Writing Tutor scheme provides a lively series of themed booklets that will stimulate your child's imagination and inspire him or her to write in a more interesting way and to achieve better results. The booklets provide a tutor for the child, fun features and stories to read, follow up activities to complete, harder vocabulary to prepare children for more advanced writing and many helpful tips and techniques to improve writing style. Written by an experienced teacher, they are recommended for use at school or at home by children aged 9-13 years, of all abilities. They are excellent for stretching fast workers and able writers or preparing for writing tasks in 11+ examinations.
