IS YOUR CHARACTER REAL TO YOUR READER? CHARACTER DEPTH brings your character to life, making her real for your reader. Does your character come to life, bounding off the page and into your readers hearts and minds? Or is he flatter than a paper pancake? A well-rounded character is more than a puppet to the whims of the plot. She moves her story forward through her actions and motivations. For a character to truly come to life for your readers, first she must come to life for you as the writer. Even a well-rounded character can fall flat if we fail to convey her well.
