This document includes Executive Summary Sir John Chilcots Public Statement on 6 July 2016 Full Report This complete version was edited by Wyken Seagrave ISBN 9781871281385 (EBOOK) Please Note Because this is a unification of the 12 Volumes of the Iraq Inquiry, each one of which had its own page numbering system, the printed page numbers do not correspond to the pages in this document. Also the format is less than perfect since this document has been prepared from PDFs and converted to Kindle format. It is made available in this form to satisfy public demand for a unified document. If possible we will improve the format in future.
