

## Mattress Mart Murder: A Chloe Cook Cozy Mystery (Volume 1)

Thirty-four year old cosmetics saleswoman Chloe Cook is busy searching for a love that lasts in the tourist town of Cape Cod when a murder strikes. The victim is Marty Diamond, a mattress mogul known for his high pressure sales tactics and schlocky TV ads. Unfortunately, the local police detective suspects that Chloes good friend Kristina Miller is the killer. To prove Kristinas innocence, Chloe has to take matters into her own hands and find the real killer herself.
