

Clash of Chariots (Army Times Books)

Illustrated with maps and photographs, Clash of Chariots is a definitive reference source on tank warfare—the machinery and men that redefined the strategies of war in the twentieth century, from the epic arenas of the World Wars to recent triumphs in the Persian Gulf. --Illustrated with maps and photographs A powerful study of armored warfare, from the introduction of the tank by the British army at the Battle of Cambrai in 1917 through Desert Storm in 1991. -Kirkus Reviews
