

## Come and Welcome to Jesus Christ

John Bunyan (1628-1688) was an English Christian writer and preacher, famous for writing *Pilgrims Progress*. Though he was a Reformed Baptist, in the Church of England he is remembered with a Lesser Festival on August 30, and on the liturgical calendar of the Episcopal Church (USA) on August 29. Bunyan wrote *The Pilgrims Progress* in two parts, the first of which was published in London in 1678 and the second in 1684. He began the work in his first period of imprisonment, and probably finished it during the second. The earliest edition in which the two parts combined in one volume came in 1728. A third part falsely attributed to Bunyan appeared in 1693, and was reprinted as late as 1852. Its full title is *The Pilgrims Progress from This World to That Which Is to Come*. *The Pilgrims Progress* is arguably one of the most widely known allegories ever written, and has been extensively translated. Protestant missionaries commonly translated it as the first thing after the Bible. At one time, *The Pilgrims Progress* was considered the most widely read and translated book in the English language apart from the Bible.
