

Communication Mosaics: An Introduction to the Field of Communication (Available Titles CengageNOW)

COMMUNICATION MOSAICS: AN INTRODUCTION TO THE FIELD OF COMMUNICATION combines the authors signature first-person narrative style and popular student commentaries with thoroughly up-to-date research, theories, and technological information to provide both an overview of the field and a practical guide you can immediately use to improve your personal, professional, and public communication skills. By beginning with introductions to the basic processes and skills central to all communication contexts and then moving on to how we apply these aspects of communication in specific contexts such as interpersonal and public speaking, the text shows you the importance of developing your communication skills and gives you the hands-on tools you need to become a more effective communicator. Jump into the dynamic world of communication in the 21st century with COMMUNICATION MOSAICS!
