

Community Conversation Guide: Starting Well in Your Small Group

Community. Its a word we often hear, but what does it really mean? And why is it so important to your spiritual life? Because you cant grow spiritually unless youre connected relationally. God designed us that way. He wants to use other people to grow us and he wants to use us to grow other people. In this 8-session, video-based study, specifically designed for launching new small groups well, youll explore how building deep relationships with the people in your small group and serving in the larger community around you will grow your faith. Youll learn why your unique story matters to God and to the people you do life with. Community is a great way for small groups to grow together and for churches to connect new people in their congregation. This conversation guide is a necessary tool walking you through each session with group starters, leaders notes, discussion questions, and weekly reading.
