

## The Pioneer Adventure (Our America) (Volume 5)

Join Finn and Ginny as they continue to search back in time to find their lost parents. After adventuring with the Pilgrims, surviving the horrors of King Philip's War, living through the Salem Witch Trials, and searching for their parents during the Revolutionary War, the twins now find themselves on a wagon train heading to Oregon. Is this the adventure where they will finally find their missing parents? The Our America series is designed to teach the stories of United States history in such a fun way that the reader won't even realize that it's educational. The Pioneer Adventure is based on actual accounts written by the people who lived through the war. Ages 10 to 13.
