

Jesus the Christ, Volume 2 (James E. Talmage) (Volume 6)

Volume 2 - Written under request from the First Presidency, and later approved by the Prophet, First Presidency and Council of the Twelve Apostles, Jesus the Christ is perhaps one of the most accurate and comprehensive books written on the Saviors life, ministry, teachings and atonement. Uniquely written inside the Salt Lake City temple, Jesus the Christ takes an ahead-of-its-time approach to the life of the Savior by including the antemortal existence and activities of the worlds Redeemer, the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times, the assured nearness of the Lords second advent, and predicted events beyond. The author describes this book as a powerful and well directed beam, [which] illumines many dark passages of ancient construction. As an inspired writing, the author acknowledges the constant companionship of the spirit of sacredness throughout his labor of love in writing this book. Like the prophets of ancient and modern days, Elder Talmage reverently evokes the spirit of sacredness to be with all the readers of this volume. Elder Talmage died in 1933, thus making this writing a Voice from the Dust. In recognition of 100 years since its original publication, Latter-day Strengths is well-pleased to present this edition of Jesus the Christ.

Dating the Birth of Christ by Jeffrey R. Chadwick - BYU [2] For The Church of Jesus Christ of Latter-day Saints, the effort to describe the This article explores the influence of Elder James E.
