

Developments in Russian Politics 7

Developments in Russian Politics 7 brings together specially commissioned essays by leading experts to present a wide-ranging assessment of politics in contemporary Russia, including the election and inauguration of Dmitri Medvedev as president and Vladimir Putins appointment as prime minister in the spring of 2008. The contributors provide succinct overviews of Russias executive leadership, parliamentary politics, elections, political parties, media and political communication, regional politics, economy, social policy, foreign policy, and defense and security. Clearly and accessibly written, Developments in Russian Politics remains the first-choice introduction to politics in the worlds largest nation. Contributors. Alfred B. Evans, Henry E. Hale, P. Hanson, Margot Light, N. Manning, J. Mathers, Michael McFaul, Sarah Oates, Thomas F. Remington, C. Ross, Richard Sakwa, Darrell Slider, G. Smith, Stephen White, John P. Willerton
