

El Banquete (Spanish Edition)

Platon (en griego: Πλάτων) (ca. 428 a. C./427 a. C. - 347 a. C.) fue un filósofo griego, alumno de Sócrates y maestro de Aristóteles. Su influencia como autor y sistematizador ha sido incalculable en toda la historia de la filosofía, de la que se ha dicho con frecuencia que alcanzó identidad como disciplina gracias a sus trabajos.
