

Barnaby Rudge, and Edwin Drood

Barnaby Rudge, and Edwin Drood (1875) Author: Dickens, Charles, 1812-1870 Subject: Gordon riots, 1780 Language: English PREFACE. As it is Mr. Watertons opinion that ravens are gradually becoming extinct in England, I offer a few words here about mine. The raven in this story is a compound of two great originals, of whom I have been, at different times, the proud possessor. The first was in the bloom of his youth, when he was discovered in a modest retirement in London, by a friend of mine, and given to me. He had from the first, as Sir Hugh Evans says of Anne Page, good gifts, which he improved by study and attention in a most exemplary manner. He slept in a stable generally on horseback- *and so terrified a Newfoundland dog by his preternatural sagacity, that he has been known, by the mere superiority of his genius, to walk off unmolested with the dogs dinner, from before his face. He was rapidly rising in acquirements and virtues, when, in an evil hour, his stable was newly painted. He observed the workmen closely, saw that they were careful of the paint, and immediately burned to possess it. On their going to dinner, he ate up all they had left behind, consisting of a pound or two of white lead ; and this youthful indiscretion terminated in death. While I was yet inconsolable for his loss, another friend of mine in Yorkshire discovered an older and more gifted raven at a village public-house, which he prevailed upon the landlord to part with for a consideration, and sent up to me. The first act of this Sage, was to administer to the effects of his predecessor, by disinterring all the cheese and halfpence he had buried in the garden a work of immense labour and research, to which he devoted all the energies of his mind. When he had achieved this task, he applied himself to the acquisition of stable language, in which he soon became such an adept, that he would...
