Chef Olivia Paras has too many eggs in one basket-and is feeling like a basket-case... When NSA big shot Carl Minkus dies right after eating the dinner Olivia Parass staff had prepared, all forks point to them. Now the Secret Service is picking apart the kitchen-and scrutinizing the staffs every move. The timing couldnt be worse with the White House Lawn Easter Egg Roll to prep for without access to a kitchen. Olivia must find the real culprit-before she cracks under pressure.
