

25 Diabetes Questions Your Doctor Probably Wont Answer

25 Diabetes Questions Your Doctor Probably Won't Answer

I have worked for years as a nurse with diabetic patients. The 25 Diabetes Questions Your Doctor Probably Wont Answer was created from questions that my patients asked me over these many years. When they asked the questions, I knew that they all wanted quick and easy answers. Answers that do NOT include many of the long complicated words and phrases common in medicine today. The reason I created this book is to help you become healthier. And the reason, your doctor probably wont answer them is because they are generally too busy. If you have any questions related to diabetes that you would like answered, see the contact information at the end of this book.

Your questions may appear in another edition of this book.
