

Emilys Quest

This early work by Lucy Maud Montgomery was originally published in 1927 and we are now republishing it with a brand new introductory biography. Emilys Quest is a tale in the Emily Starr series, and tells the story of Emily being separated from her childhood sweetheart and agreeing to marry a man she does not love. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled Anne of Green Gables. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name. Montgomery died in Toronto on 24th April 1942.
