

## Ephesians: Encouragement and Joy in Christ (Focus on the Bible)

Ephesians is a letter to a church very like yours. Paul is obviously commended that this young church gets its foundations right. It is intriguing that later, when writing to Timothy, he says that there are some there promoting false doctrines. The leadership was in revolt! Yet in the Revelation given to John, Jesus commends the Ephesian church that they have thrown out the false teachers and are a congregation who have staying power despite their setbacks. So a church that had been through the mill but back out the other side! What was their secret? You will find out as you explore this letter to the church, ably expounded by Paul Gardner. Paul Gardner is also the author of 1&2 Peter and Jude (ISBN 978-1-78191-129-7) and Revelation: Compassion and protection of Christ (ISBN 978-1-84550-344-4) in the Focus on the Bible commentary series.
