

Essential Readings in World Politics (Fifth Edition) (Norton Series in World Politics)

Classic readings and contemporary articles on ongoing international political problems, from a wide range of perspectives. In the Fifth Edition, 20 new readings offer diverse perspectives on major topics in IR, and headnotes provide the context and background that students need. The new readings offer diverse perspectives on current topics like Iran's nuclear ambitions, international sanctions, resource wealth and conflict, and the efficacy of international law.
